Letter of recommendation

It is hereby confirmed that **Kirstine Thomassen** has been appointed as a part-time Communication and Marketing Associate at Snowminds from July 1st to December 1st 2015.

Kirstine did from day one show a strong desire and ability to fulfil the role and responsibilities given to her with a high degree of determination, accuracy and passion. Competencies that are valued high in our organization.

With these competencies it was soon clear that Kirstine was ready to take on a greater responsibility than a normal entry-level employee. As such we trusted her with projects in such diverse areas as strategic social media planning, creative online content creation, competitor analysis and PR and media handling. Projects fulfilled to our full satisfaction and with an impressive dedication.

I will like to highlight Kirstines happy, enthusiastic and optimistic personality. She was a true blessing to the social aspects of the team and was loved and respected by all. Furthermore, I will remember Kirstine as a fully dedicated fighter that never gives up - a gem for any company!

I can only give Kirstine my best recommendations and will be happy to bid her welcome back to our team anytime. If I can be of any help please do not hesitate to reach out to me.

Yours sincerely,
